

CURRENT MACHINERY OFFERS

>> Sale of used, new and demo metering machines directly from Hennecke Inc. (catalogue as of 12/2024)

ECOPLUS 100 / HIGH-PRESSURE METERING MACHINE

Manufacturer (country of origin)	HENNECKE-OMS (Italy)
Number of components	2
Mixhead type	Y2K 12/18
Mixhead injector type	Standard injectors
Max. total output (pumps)	33–85 l/m (each pump fixed @ 33 cc/rev)
Max. total output (mixhead)	200–1100 g/s
Max. processing temperature	40°C (105°F)
Work tank capacity	100 l each
Main applications	Manufacturing of rigid and flexible PU foam
Operating time	0 hours (new)
Voltage	480 VAC
Pressure vessel directive(s)	ASME
Equipment (extracts)	Mixhead pendant, boom

IMPACT 6 / LOW-PRESSURE METERING MACHINE

Manufacturer (country of origin)	HENNECKE-OMS (Italy) / Hennecke GmbH (Germany)
Number of components	2
Mixhead type	ULTIMIX C12
Mixhead injector type	Variable (toolbox provided)
Max. total output (both pumps)	100 cm ³ /s
Max. total output (mixhead)	200 cm ³ /s
Max. processing temperature	40°C (105°F)
Work tank capacity	100 l each
Main applications	Manufacture of rigid (low output rates) and flexible PU foam
Operating time	0 hours (new)
Voltage (connected load)	480 VAC
Full load amps	20 A
Pressure vessel directive(s)	N/A
Controls	Allen Bradley
Equipment (extracts)	Mixhead pendant, boom

IBC STATION

SOLD

Manufacturer (country of origin)	Hennecke GmbH (Germany)
IBC tote capacity	2
Operating time	0 hours (new)
Voltage	480 VAC

TOPLINE HK 270/270 HIGH-PRESSURE METERING MACHINE

Manufacturer (country of origin)	Hennecke GmbH (Germany) / Hennecke Inc. (USA)
Number of components	2
Mixhead type	MT 12-2
Mixhead injector type	Constant pressure injectors
Max. total output (both pumps)	540 cm ³ /s
Max. total output (mixhead)	300 cm ³ /s
Max. processing temperature	50°C (122°F)
Work tank capacity	250 l each
Main applications	Covers the most demanding PU applications
Operating time	0 hours (new)
Voltage (connected load)	480 VAC
Full load amps	59 A
Pressure vessel directive(s)	ASME
Controls	Allen Bradley
Equipment (extracts)	Mixed pendant, closed loop control

ECOPLUS 100R / HIGH-PRESSURE METERING MACHINE

Manufacturer (country of origin)	Hennecke GmbH (Germany)
Number of components	2
Mixhead type	MT-E 18-2
Mixhead injector type	Constant pressure injectors
Max. total output (pumps)	52.8 l/min
Max. total output (mixhead)	125-600 cm ³ /s
Max. processing temperature	50°C (122°F)
Work tank capacity	100 l each
Operating time	0 hours (new)
Voltage	480 VAC
Full Load Amps	84 A
Pressure vessel directive(s)	ASME
Equipment (extracts)	Mixhead pendant, boom, agitator, magnetic coupling, auto, filling via pneumatic shutoff, closed loop control

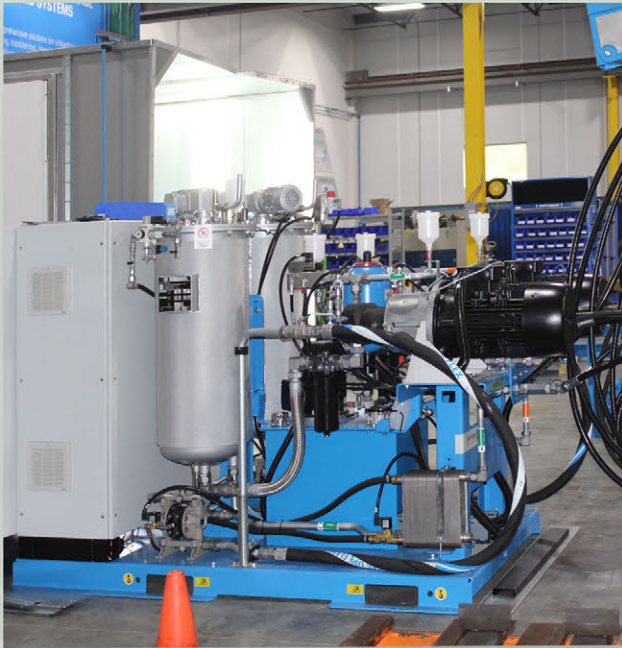

Offer number: 5208

COLOURLINE HIGH-PRESSURE METERING MACHINE

Manufacturer (country of origin)	Hennecke GmbH (Germany)
Number of components	2
Mixhead type	MN 8 MC
Mixhead injector type	Fixed orifice
Max. output	Polyol 30 cm ³ /s Isocyanate 45 cm ³ /s
Max. total output (mixhead)	100 cm ³ /s (MN 8 MC)
Max. processing temperature	100°C (122°F)
Work tank capacity	30 l each
Main applications	Surface finishing for automotive and furniture applications
Operating time	Less than 500 hours (used)
Voltage (connected load)	480 VAC
Full load amps	49 A
Pressure vessel directive(s)	N/A
Controls	SIMATIC
Equipment (extracts)	2 color units, parking station

ECOPLUS MK2 770/770 HIGH-PRESS. METERING MACHINE

Manufacturer (country of origin)	Hennecke GmbH (Germany) / Hennecke Inc. (USA)
Number of components	2
Mixhead type	MT-E 22-2
Mixhead injector type	TBD, currently none equipped
Max. total output (pumps)	1540 cm ³ /s
Max. total output (mixhead)	2000 cm ³ /s
Max. processing temperature	50°C (122°F)
Work tank capacity	100 l each
Main applications	Wide range of standard applications
Operating time	0 hours (new)
Voltage	480 VAC
Full load amps	79 A
Pressure vessel directive(s)	N/A
Controls	Allen Bradley (no control panel equipped)
Equipment (extracts)	Mixhead pendant, boom

Offer number: 5210

CONTACT US ANYTIME FOR A QUOTE!

If you are interested in any of the machine systems listed, you can contact our sales experts for a formal quotation. Please remember to include the respective offer number (bottom right-hand corner of the descriptions).

Please send your inquiry to: dosing@us.hennecke.com
